

## Cheeky Wee Monkey Joke Book

Written specifically for Scottish children by Allan Morrison, the author of numerous best-selling humour books, The Cheeky Wee Monkey Joke Book is sure to keep the wee darlings occupied for hours on end. Encouraging children to read is fundamental to learning, and what better way than with the enjoyment and laughter of the 1000 plus jokes in this laugh-a-minute book? Ask any schoolteacher in Scotland and they'll tell you that cheeky wee monkeys aren't confined to zoos. Just listen to the chatter in any school playground and you'll hear groups of kids swapping funnies. And now no Scottish child can claim that they don't know any jokes they're all here for them in Cheeky Wee Monkey. Whether it's What has two humps at the top of Ben Nevis? A lost camel! or What's brown and sounds like a bell? Dung! or What do you call a deer with no eyes? No Idear! Regardless of age everyone loves to monkey around and joke. Adults can also recapture the joy of youthful knock-knock, scary, and just plain silly jokes. The Cheeky Wee Monkey Joke Book is an ideal Christmas stocking filler for young Scots. So, who's a cheeky wee monkey, then? You are!
