

The \$500 Question

Perkins Deadwood cant believe his ears. His twelve-year-old son just asked for a pet fart for Christmas. And not just any fart, a Spanish fart. ?Ay, caramba! Can the used car salesman talk his son out of it? Or is this Christmas really going to stink? For mature (and not so mature) audiences. Approximately 2,100 words. NOTE: There is some foul language and adult humor inside, so its really not intended for children. EXCERPT FROM THE \$500 QUESTION So son, what would you like for Christmas? Perkins Deadwood flashed his million-dollar smile. The Thanksgiving holiday had been good to him, enabling Bottom Dollar Buick to sell half of its fleet of used cars. Well His twelve-year-old son Nelson scratched his head, Id really like a pet pedo for Christmas. Perkins angled his head, his smile melting away. A pedo? Whats that? Oh, thats Spanish for fart. Nelson smiled. So you want a fart for Christmas? Yes, sir. But not just any fart. A Spanish fart. Whats so special about Spanish farts? Perkins tried to hide the horror creeping onto his face. I dont know. Theyre just spicier, like Jennifer Lopez. Didnt you say that you like your food and women spicy? Yeah, butI was just trying to make your mother laugh, and get some, wellyou know Perkins winked.
