

Prince Chester and the Salamander King

Prince Chester never expected to rule the island Kingdom of Thyme. But when his seven older brothers are all killed in battle, he suddenly becomes the heir just at the time a new threat emerges: fiery salamanders from volcanic Mount Fumare are burning villages on their way to the capital! Under the guidance of the Kings Royal Advisor, Parak Letos, Chester must assemble the pieces of the Armor of Fullness to prepare him for his confrontation with the Salamander King.
