

Nigella Lawson: A Biography

This is the first-ever biography of the irresistible domestic goddess, Nigella Lawson. Born in 1960 into a family of privilege, this book covers her childhood, her early career at the Sunday Times and Spectator, her secret marriage to John Diamond, the loss of her sister and husband to cancer—both at early ages, and her tremendous success as the author of *How to be a Domestic Goddess* and host of *Nigella Bites*. This is a story of personal tragedy and public success, studded with a cast of celebrity friends and family. With her unashamed enjoyment for food and her curvy beauty, Nigella continues to fascinate and beguile.
