

Psychic Abilities: Hypnosis to Increase Psychic Powers and Become Clairvoyant via Beach Hypnosis and Meditation

This is the script version of the audiobook. The audiobook version is highly recommended for the full effect. This hypnosis session is intended to help you develop your psychic abilities. It will help you become more aware of future events, more in tune with unseen forces and more connected with your intuition. This hypnosis is about 10 minutes long and is a part of the Beach Hypnosis and Meditation Series. The beach is the most effective place to induce a mindful and relaxed state of mind. Research has indicated the sound of water has a calming effect on the brain, leading to increased mindfulness, deep relaxation and a feeling of being one with the universe. These healing properties occur even when just the sound of water is present. This audiobook includes 7 different ocean and beach soundtracks to help diversify your sessions. You can listen to a different version each day of the week or as often as you prefer. Each beach setting is designed to help you relax and increase the effectiveness of your session. This audiobook includes the following 7 beach settings: 1. Serenity on the Beach 2. Lakefront Home Private Shore 3. Quiet Reflection on the Beach 4. Gulf of Mexico Ocean Waves 5. Crashing Waves on Cliff 6. Ambient Oasis 7. Ocean Waves Crashing on Rocks. Becoming clairvoyant first begins with having an open mind about the unseen and unknown forces of the universe. This open-mindedness allows you to tap into and connect with visions and sensations that go unnoticed by others.
