

NASCAR Then and Now

In this unique gallery book, historical shots of people, cars, events, tracks, shops, and other NASCAR landmarks are paired with comparable modern shots to present a fascinating review of America's top motorsport. See what Darlington looked like when it was built in 1950 compared to what it looks like now. Get a real sense of how pit stops have changed between 1949 and today. Compare a Ford stock car from 1962 with one from 2009. Nowhere else can NASCAR fans so graphically trace the evolution of their favorite motorsport.
