

## Entering Your Divine Nature Series (Vol. 3): Entering Your Divine Nature By Marriage (Volume 3)

A persons choice of a marriage partner is influenced by so many environmental factors of culture, tradition, fashion, social standing, and in many instances coincidences. Yet in many cases, marriage is not a happy state for most, as it often turns out that it does not deliver all the exciting feelings and attraction promised at the beginning. This book is divinely inspired and is for helping Christians navigate without falling in the trap of an empty promise made by marriage for many. And true indeed, there is an ordained way in which those of us who are born again can benefit from the wealth of leadership the Holy Spirit gives in this area before making that choice. I do not guarantee success for those already married but I do through this book for those who are not yet there only and only if you pay attention and allow the Holy Spirit to teach you through the open eyes of your heart. Contents: Exercising spiritual senses; Should You Let Your Emotions Rule Your Destiny? Its All About The Holy Spirit; How To Respond To Prophecy On Your Marriage Choice; The Age Question; How To Induce Gods Voice; Clues On Hearing Gods Voice; After Discovering Your Man or Woman of Destiny
