

## ABC Flash Card Book ( Alphabet Book For 3-5 Year Old )

ABC Flash Card Book. This flash card reading book teaches your child through a combination of sight and interaction. For the best results: Read with your child the first few times and encourage him/her to participate by saying the words. How It All Began. My mother and father has told me many times that before I was born, in the womb. They would read to me. They pursued to teach me at a young age with many educational tools. Mainly books and computer games! Now that I am attending college to become a teacher, it's my way of sharing this same passion of learning with someone else through this book on kindle. It is my first attempt of putting proven educational practice and technology together on a platform such as kindle. It is my hope that you and your child receive enjoyment out of this flash card game book. Sincerely: Alonda Dillard
