

Shes Downhill and in the Shade

I have been a Big Game Guide and outfitter in British Columbia, Canada for almost 40 years. I specialized in Sheep both Bighorn and Stone Sheep. I have just finished my two books No1# Shes downhill and in the shade 275 pages ISBN # 0-9734686-0-2 No2# Bighorns and Stone Sheep 150 pages ISBN # 0-9734686-1-0 By Chris Kind The first book is out and I have a few thousand copies the second book is due out in one week. Shes downhill and in the shade is a biography starting at the mighty Gang Ranch in B.C. and moving into Big Game hunting. The stories are great and all first hand experiences. I have put a lot of humor in the first book. The second is a tribute to several guides and over a 100 magnificent rams that I have been involved with, including the world record and no 2 California in the world. Both books are great winter reading. Both books have three nice reviews on the internet I am a first time Author and these books are a big part of my life. Thanks for your time Chris Kind
