

Citizens Guide to U.S. Economic Growth: and The Bush-Kerry Economic Debate

Citizens Guide to U.S. Economic Growth: and the Bush-Kerry Economic Debate is written for the person who wants to be informed about the fundamental issues affecting the growth of the U.S. economy and who also wants an understanding of the policy differences between the 2004 presidential candidates, President Bush and Senator Kerry, on issues affecting U.S. economic growth. The concepts discussed in Citizens Guide are important to all Americans because the application of these concepts by policy makers can have a significant impact on the growth of the U.S. economy, which determines the level of your standard of living. Find out what the candidates economic policies will mean for your future and for the future of the United States.
