

Freemasonry and Catholicism (Classic Reprint)

Rosicrucian Fellowship aims to educate and construct, to be charitable even to those from whom we differ, and never to vent the venom of vituperation, spite, or malice even upon those who seem deliberately determined to mislead. We revere the Catholic religion; it is as divine in its essence, as Mystic Masonry both, are rooted in hoary antiquity, both were born to further the aspiration of the striving soul, and both have a message and a mission in the world not apparent upon the surface today, because man-made ceremonial as a scale has hidden the kernel of divinity in each. It is the object of the present articles to remove that scale and show the Cosmic purpose of these two Great Organizations, which are so bitterly antagonistic to each other.
