

Drafting Commercial Contracts: Legal English Dictionary

Improve your contract drafting vocabulary with this legal English dictionary for drafting commercial contracts. The dictionary was written by a UK qualified lawyer for foreign lawyers and business professionals who want to improve and learn practical legal and business English. This dictionary concentrates on all the important vocabulary used in drafting commercial contracts. There are over 150 legal terms and phrases that are explained in an easy to understand way. The author is a UK lawyer and English teacher and has many years of experience in legal practice and in training foreign lawyers and business professionals. Here's what some of our students from around the world are saying about our books: I was impressed by their ability to simplify a topic as vast and complicated as law. I was able to grasp the key elements because of the engaging manner and by giving relevant real life examples. I was really impressed with the knowledge of commercial law and the ability to explain complex matters of law in an easily understandable and interactive way. I give them my best recommendations. I saw progress in my grammar. It was very useful for my law studies. Start today !
