Childrens Bible is a collection of comic books telling the stories of the Old and New Testament. Who is Childrens Bible aimed at? Kids Families Catechists Teachers Everyone who wishes to approach Sacred History as a cultural fact People coming from other cultures and religions Believers of any age The main features of this publication are: THE SCRIPT The comic books script is a faithful transcription of the biblical texts. No script elements alien to the original text have been added. We have used the Good News Bible. Every episode takes up one or two double pages. They can be read and used separately or consecutively. THE DRAWINGS The realist drawings follow the tradition of the French Belgian clear-line school made popular by Herge, creator of Tintin. The drawings are the result of an exhaustive work of graphical research, not only with regard to the landscapes of Israel, but also as for the characters attire (fabrics, colors, etc.), everyday objects (objects, food, etc.) and the architecture of the moment. As for the characters faces, we have worked with drawings from life. Old Testament album includes this list of episodes: The Creation The Original Sin Cain and Abel Noah and the Flood The Tower of Babel The Covenant with Abraham Sodom and Gomorrah The Sacrifice of Isaac Isaac and Jacob The Story of Joseph Origins of Moses Vocation of Moses Mission of Moses The Plagues of Egypt The Exodus from Egypt The March through the Desert Joshua Samson Samuel Elijah Jeremiah Jonah Goliath David Solomon Job Isaiah
