

Balancing Life and Work: A Philosophical Approach

In this busy and competitive world, most of us feel it is virtually impossible to do everything we want to do in a day. We are bombarded with work, family, and social obligations. No matter what we tell ourselves we won't find true happiness until we learn how to organize our lives. This book is designed to give you practical ideas to help you balance your life so that you can feel more productive without feeling stressed out.
