

## From the Wood to the Tees: Amusing Golf Companion

An avid golfer of some skill, comedian Tom O'Connor has played with the best of them and the worst of them. With his sense of humour very much to the fore, he takes readers around the greens as he recalls some of the funny experiences that have befallen him - whether in such exalted company as Lee Trevino, Jose-Maria Olazabal, Jimmy Tarbuck or Russ Abbott, or in the 19th hole in club-houses far and wide. The reminiscences incorporate the courses, the disasters, the caddies and the characters the author has encountered, as well as personal golfing tips.
