

The Victorious Attitude (Timeless Wisdom Collection Book 17)

In *The Victorious Attitude* Marden explains that we need a good attitude to be successful in any endeavor. Controlling our mind and our thoughts is the key to success. We must remember that we all have to undergo challenges and obstacles on our path. The difference between emerging victorious and strong, or defeated and weak, is in our attitudes, which determine how we deal with them. The author dedicated his life to gather the messages engraved in the wisdom of the ages, and to transfer them into dozens of volumes and thousands of pages, each and every one a true gem of the ages. In them, Marden is able to capture the essence of life, self-development and true success, and therefore, his books are considered the premiere self-help collection of all times. Although they are one hundred years old, his books are so current that it seems to have been written precisely for our time. A time where, more than ever, we need values, we need achievers, we need happiness and we need love. The broadness of Marden's education in history, philosophy, spirituality and more, and his ability to condense and transmit knowledge with remarkable clarity -in an entertaining and engaging way, make these readings a requirement for whoever in this life is searching for success, or just looking for life's answers.
