

Preventing Miscarriage Rev Ed: The Good News

A Reassuring and Informative Guide That Offers New Hope For Expectant Parents Along with inspiring accounts of women who have delivered healthy babies after years of heartbreak, Dr. Jonathan Scher provides the latest medical information on preventing recurrent miscarriages, including why couples with unexplained infertility actually may be suffering repeat pregnancy loss due to failure of the embryo to implant in the womb, important immunological and tissue tests that may explain or prevent miscarriage, emerging treatments such as heparin and I.V.I.G., updated resources, and much more.
