

## Geeta Vahini

Bhagawan Sri Sathya Sai Baba wrote a series of articles under the Vahini series, for Sanathana Sarathi, a monthly magazine being published by Sri Sathya Sai Sadhana Trust, Publications Division, Prasanthi Nilayam. These precious articles are brought out now, under the title Geeta Vahini, in this book, for the benefit of readers. This is not a commentary or summary of the divine message that was given by Lord Krishna to Arjuna. It conveys the same message in a simpler form to us, in order to remove our delusion and confer faith and strength on us, so that we may realise our own reality. Bhagawan says, Drawing on the Divine that is inherent in us is the lesson of Geeta Arjuna is the jiva and Krishna is the Deva. When both are in contact, impregnable might results Krishna had to work in and through Arjuna, so that the reign of Dharma (righteousness) is re-established. Arjuna means white, pure, unblemished. Hence, he is the proper instrument. We too can become proper instruments in restoring Dharma, if we follow the lessons that Bhagawan teaches through this book.
