

IN Process: Creative Expression from Our Teens

Who am I? Who are You? Who are We? Courageous Monroe County teens/emerging individuals/young adults share a sampling of their life IN Process for those open/brave enough to listen. It is raw and powerful, and often intense. What you see and read, you will feel! They hurt and bleed, scream and cry, live and die. They are abused, manipulated and dumped on by their culture, parents and peers, left feeling alone to deal with a whirlwind of mixed messages and emotion. Ignore them? Please don't! They are our children, our friends and classmates, our community. Read, think, empathize; engage them in a conversation on what matters.
