

The Ultimate Guide to Camping with Kids: A Practical Step by Step Guide to Successful Family Camping Minus the Stress

Camping is not only an inexpensive family activity in a tight budget economy, its also a way to give your children what they may be lacking in this technology filled era: time away from screens, time outside, a break from after school activities, etc. Regardless of age, camping can be a lot of fun as long as you are properly prepared. From tenting to RVing this book will take you step by step from planning the trip its self to once you have returned home. Providing valuable information on camping with kids of all ages from infants to teens. You will not only get step by step instructions but also detailed checklists, helpful hints, meal plans, organization tips, and tons more! Whether you are a seasoned camper or the first timer with these steps you will be creating unforgettable family memories before you know it!
