

The Free: 2015 edition

one lonely, abused schoolgirl occupies her own life.. and sets off an explosive social and economic revolution..... This is the online 2014 edition, check out news,views,essays,videos on its blog here: <http://thefreeonline.wordpress.com>, if you enjoy the book it really needs your word of mouth publicity!. Review: the most detailed fictional treatment of the movement from a world recognizably like our own to an anarchist society that I have read.. imagined strongly enough to allow readers to believe that events could happen this way. Dr Daniel P.Dr Daniel P. Jaeckle, author of Embodied Anarchy in Ursula K. Le Guins The Dispossessed (continued here: <http://wp.me> What its about Accompany Linda through her hilarious, terrible day, as she: -escapes her useless school and abusive daddy,-changes her name to Maxie and falls in with the anarcha feminists, squatters and gays. The State is going bottoms up, the Climate is going crazy, were living the collapse of capitalism, blow by blow, with a rainbow. Maxie and her new friends get free of their traumas,and get into dealing subversive death blows, to a skinhead gang,a bankrupt school and the testerical special police. Next thing they flee to Ragwort CoOp Pool,in a big safe occupied working class area. We play the adventure live through their eyes, laughing and lamenting inventing social revolution. The PIF soldiers eventually arrive, to restore capitalist chaos, Macker and Maxie are missing, the hunt begins, while the spaced out invaders get subverted, corrupted, swallowed and (burp) digested. Our odd family puzzles with the pieces.. finding a fun lifestyle,a coppice farm, and bright ideas for saving The Planet, but keep your hankies ready, folks.. click on your giant wings, for the fantastic FLYING finale! COMMENTS a taste of the 1300 comments already received Its such a riot of experience, so wild, funny, tragic, exhilarating, radical, outraged, whatever, and that you are flushed right out only at the end of the book. // Wow. This is exceptional an absolutely riveting read. It is hilarious and then tragic. The characters bounding off the page. One moment I was laughing, the next almost in tears for Linda. It was also so true to life and...// Incredible, beautiful prose and an original style that creates a niche of its own. Clever, and funny but with a thread of darkness woven all the way through. This book belongs on my shelf in print. // I love it //

I was reading through the Table of Contents, like all good OCs, every last one, and got to #6-Testerical Morons and started to laugh so hard I damn near choked to death. And that was before Id hit a word of text. // I love this book. As satire, it works superbly showing up the inevitable consequences of Western Free Market Rapacious Capitalism as well as giving us a taste of Good Old Days English Humour.

// The Free. An unbelievably exciting book, not because of its stupendous pace and action filled plot, but because of the depth of character revealed continuously, holding us breathless as we explore one after another of these amazing people. Really well done. Youre an exceptional writer. Gerry McCullough //
