

The Freemasons Handbook of Toasts, Speeches and Responses

Never again will a Freemason, get caught out by a last-minute request to make a speech with this handy ready prepared book of toasts, speeches and responses. This book contains a complete set of fully adaptable toasts and responses to toasts, lasting about four minutes each, that the Freemasons can use at short notice at the festive board. It contains multiple versions of all possible Masonic toasts including, the toast to the initiate, the toast to the guests, responsible half of the guests, the toasts to the worshipful master and many more. The book is written in the inimitable style of professional Toastmaster and public speaker, Yasha Beresiner, author of the best-selling *Masonically Speaking*, which means that each and every toast is witty and entertaining and easy to perform and adapt to ones own needs. The small format will be popular with Freemasons as it will give them a product that they can carry in their bag or pocket, should they get asked to make a speech or respond to a speech at the last minute. Each toast will contain witty toasts, one-liners and themed jokes that in a flash any Freemason can stand up with confidence at the festive board.
