

The Supernatural Among the Omahatribe of Indians (Classic Reprint)

The Supernatural among the Omahas. a baby in the place of the thorn. The infant rapidly becomes a woman ; all the animals obey her call, and she enriches her brothers by her skill and industry. The myths seem to indicate a linking together of all forms of life throughout nature. The various animals are endowed with speech, and address each other by terms of relationship, and are so addressed by man. The beaver, eagle, and others are called grandfather or grandmother, the titles of respect; but in the various myths these terms are not always applied to the same animal. The otter seems to be connected with the supernatural. Its skin is twisted about the neck of a man in order to promote the swoon which will bring prophetic vision. Its skin is used in the sacred society when a part of the ceremony consists in the simulation of death. In the myth telling of the introduction of death the otter was sent as a decoy to bring about that event. The story is of a mythical person named Ha-hea-ga, who had a younger brother. (It is noticeable that here again it is a younger brother who introduces the new experience.) One day, Ha-hea-ga warns his brother of the approach of some mysterious impending trouble, and urges him not to venture forth from the tent. Ha-hea-ga goes out as usual to hunt, and returns after a time to find his brother missing. He follows the footprints of the youth until they lead to the water and out on the ice, to where there is a hole ; there they disappear, together with the marks of an otter, which had evidently enticed the brother into danger. The myth describes the grief of Ha-hea-ga, the present streams of the country being formed by his tears. He goes among the animals seeking for tidings. At times he becomes enraged and kills those who show no sympathy, but he rewards those that help him. At last he discovers the abode of the strange water-monsters that have caused his brothers death, and by stratagem

kills them, and secures all that remains of his br
