

Follow up Sales Strategies

Follow Up Sales Strategies simplifies the process of following up to get more sales. Did you know that 80% of sales are made between the 5th and 12th contact? Yet, only 10% of sales people make more than 3 contacts. This book is going to teach you how to become part of that elite 10% who follow up with a system that works. This book will teach you how to:

- . Develop effective follow-up habits for life.
- . Shift your mindset and priorities to support new follow-up skills.
- . Gain more high-value clients and win them over for life.
- . Get more organized with a proven follow-up system.
- . Stand out from your competition.
- . Systematize your business to increase your bottom line.
- . Make more sales with ease.
