

The Complete Works of Oscar Wilde: Volume 3: The Picture of Dorian Gray: The 1890 and 1891 Texts

This is the third volume in the Oxford English Texts edition of the works of Oscar Wilde. This definitive variorum edition of Wildes The Picture of Dorian Gray reprints the thirteen-chapter and twenty-chapter versions of this famous story as separate works. The volume provides readers with the most detailed account available of the considerable changes that Wilde made to a controversial narrative that appeared in two, very different editions in 1890 and 1891 respectively.
