In addition to the questions and answers, the Kit also contains over 80 tips on how to pass your exam. These tips focus on what you can expect on the exam: the mechanics of taking the exam, trick questions you may encounter, and topics which come up over and over again on different exams. Also, there is an extensive glossary with complete definitions of 700 words and phrases you need to know for the exam. There are a large number of math questions in the book, with complete step-by-step answers showing short-cuts saving many valuable exam minutes. This book is prepared under the direction of Michael Lustig, former Instructor at the University of California, California State Universities and Colleges, and California Community Colleges, and licensed real estate broker.
