

Revealing the Mysterion: The Use of Mystery in Daniel and Second Temple Judaism with Its Bearing on First Corinthians (Beihefte Zur Zeitschrift Fur Die Neutestamentliche Wissenschaft)

The New Wettstein is the only complete and continuous commentary on all New Testament passages with Hellenistic material ordered chronologically and philologically. The volume on St. Mark's Gospel presents some 1300 texts, documenting that there are also numerous Hellenistic parallels to the story of Jesus on both a formal and a substantive level.
