

## Cima Paper 2 - Stage 1: Cost Accounting and Quantitative Methods (Cqm): Practice and Revision Kit (2000): Exam Dates - 05-00, 11-00

Established in 1919, the CIMA offers an internationally-respected management qualification. This practice and revision kit is designed for paper 2 of stage 1 of the 2000 CIMA professional examinations in management accountancy. Taking into account time pressures, the kit covers the exam syllabus - as applied to the requirements of the exam itself, and where possible, highlights key examinable topics. The 2000 CIMA study materials comprise a range of study texts, practice and revision kits, and passcards - all available separately, and covering papers 1 to 16 from stage 1 up to stage 4. The practice and revision kit offers different question formats and styles (from multiple choice to case study) with opportunities for self-testing. The 2000 edition offers the syllabus - and any other guidance from the examining body, analysis of past papers and examiners comments, current issues section updating students with developments, and a key question checklist to help students plan and monitor their progress. In addition the kits feature Do you know? key topic summaries, short tutorial or practice questions with guidance notes, tutorial notes, and exam questions.
