

## The Insiders Guide to Buying Property in Difficult Times

By being more legally informed you see opportunities that may pass others by. Knowledge provides opportunities and those eventually lead to profit in the Property market. In many cities in England and Wales, there are competing interests for space and the preservation of the local community. Whether it is the maintenance of an old Gothic church in the town centre or a local green firmed going back to the sixteenth century. Whatever it is...knowing beforehand is essential to a successful investment or purchase. In this book, I will show you what to look for and what to look out for. It is only meant as a guide and is no substitute to using a competent lawyer in property transaction.
