

The Land of Sand (Fullmetal Alchemist Novel, Volume 1)

Full Metal Alchemist: The Land of Sand is an episode in the adventures of two brothers Edward and Alphonse Elric who practice the art of alchemy. Edward works as a State Alchemist but his true goal is to return his younger brother Alphonse to his true form ever since an accident during an alchemical experiment took his body leaving Al as a soul inhabiting a suit of alchemical automail. Ed and Al travel to the town of Xenotime once a rich gold mining community following a lead on researchers developing a Philosopher's Stone the legendary alchemical artifact that can work wonders and possibly even restore Al's body. Author: Hiromu Arakawa Makoto Inoue
