Come learn with us aboard our 41ft, Morgan Out-Island Ketch as we experience each trial and tribulations. Feel the sorrows we experience with each equipment failure and the adrenaline that pumps through our veins as we conquer each storm. Discover how unpredictable Mother Nature can really be when were at the mercy of her winds and waves. But more so, learn the true meaning of absolute peace each time we raise the sails, kill the engine and enjoy the true reason were out here in the first place. Explore new places. Mingle among the locals. Experience real island life. Live vicariously through each entry. This contains books 1 through 3 of our adventure. It starts with our shakedown cruise to the Bahamas and back to the US for repairs. These are unedited logs that were sent to family and friends as our journey carried us from our home in Boca Raton, FL, through the Bahamas, Turks & Caicos, Dominican Republic, Puerto Rico, the Virgin Islands and finally through the entire Leeward and Windward Island chains to Grenada where we have stopped for hurricane season. They have been summarized, chronologically, and many full-color photos added, for your reading enjoyment. How far will this dream take us? Will we succeed? Find out more as our story unfolds.
