

# Unlimited Futures : How to Understand the Life You Have and Create the Life You Want

This book embodies the teachings of Bobbie R. Stevens, Ph.D, who has provided her Unlimited Futures programs to thousands of people over the past 20 years. In this book she shares her effective methods for creating whatever you want in life. She shows you how to eliminate self-defeating habits and negative thoughts and discover your innate abilities through the development of self-actualization. She explains how the principles revealed in this book have worked in her own life and in the lives of other successful people. Through the process described in this book, she created a mate for herself, success in business and the lifestyle that she enjoys. Readers will discover their true purpose in life and how to achieve it.
