

Making Money as a Certified Woman Owned Business

Making Money as a Certified Woman Owned Business, Even If You're a Man. Are you aware of the multimillion dollar opportunities that you have available right now to grow your business? If not, then you have been missing out on some FANTASTIC money making opportunities!!!! My name is Eram Saeed and I have been in lending for over 10 years. Currently I am a business owner and run my own branch as a manager for a Private Commercial Lender. In this job, I see hundreds of loan files daily for people just like you. Small Business Owners that are facing this tough economy and trying to figure out how to stay afloat. I see their pain every day and I have been passionate about trying to find out means and strategies on how to increase cash flow for these businesses without spending the enormous amounts in marketing. You see, because I deal with so many business owners, I know that when cashflow is tight, a business is in dangerous waters and something needs to be done immediately to get the cashflow going. And the result is this tell all book which is a step-by-step, how-to guide on making money as a certified, woman owned business that I wrote with my dear friend and co-author Venita Benitez. Venita is a Diversity expert and has over 15 years experience in this highly specialized and complicated field. You will learn: What are the certifications? Why is it best out of all certifications, to get certified as a woman owned business? What are the benefits and how can I get them? How can I become eligible to pursue the MILLIONS of dollars in contracts? How can I get contracts for services rather than products if I have a certified business? What are the types of companies that offer these quotas? How can I sell to them? How can I find out what their quota is? What if I don't have a business now, how do I go about starting a small business? How to get a

government/Federal contract? What is a small business set aside and how can I access the Million of dollars in that program? Why is it better to have a woman owned company as compared to minority business certification or even small business certification alone? What is a small disadvantaged company? What are the new Federal Opportunities through Government Set asides that are the EASIEST to obtain? How can I gain advantage through certified woman owned business program through legal and ethical ways if I am a man?
