

Married on Mondays

By day, Valerie Cooper, Dierdra Dawson, and Foxy Brown assist their husbands, all partners at the law firm Brown, Cooper, and Dawson. But at night, they become Vanilla Cream, Cherry Cream, and Sugar Cream, and run an upscale swingers club called Creame. Their clientele include everyone from judges, lawyers, politicians, and police officers, to soccer moms and housewives. Business is booming at the hottest club in town. Until the police chief extends an indecent proposal to Foxy: sleep with him, or go to jail. With the whole town standing behind Creame (and not just because they all happen to be clients), the women must decide whether to stand together and fight, or risk losing their business.
