

Touched by God: A Search for Higher Truth

Nearly everyone in these troubling times is seeking a stronger sense of spirituality and a greater understanding of Gods truths. In Touched By God, author Paul Corson tackles these complex problems in ways that people can relate to in their everyday lives. Touched By God helps to unlock the answers to the questions we ask about ourselves about why we are here. What is Gods purpose? Is their truly an other side? Touched By God provides the answers. Corson, in his youth, had an other world experience in which he was taken to a heavenly paradise. Later in life, helping AIDS patients allowed Corson to demonstrate the ethos of this place for its presence never left him. It was the basis for his book. Corsons revelations have impressed scholars and laymen alike. In this critically acclaimed work that some have called ahead of its time, Corson sets out to explain our connection with God and how it will allow us greater spirituality and happiness in our everyday lives. Touched By God is sure to touch all who read it and seek an understanding of Gods higher purposes.
