

## Talk: English Pronunciation, Comprehension and Grammar

This book is suitable for everyone that wants to talk, write, listen and communicate clearly in English. It is a guide to the English language that will help you to become fluent. It will improve your understanding of English, boost your daily use of English, increase your IELTS and CELTA exam results, raise your job prospects, strengthen your interview skills, advance your professional and business life, enhance your conversation skills and open the door to a social life in London. Learning English is more than just teaching or learning grammar in a language school in Spain, Italy, Poland, Turkey or China. This book will teach you contemporary, modern grammar because grammar is important but you also have to learn how to communicate and this book will teach you how to talk, write, listen and communicate in English.
