

Fearsome Dreamer

A sensual and provocative novel about the power and the peril of dreaming. In the world of FEARSOME DREAMER, England has become Angle Tar - a technophobic and fiercely independent country holding its own against the mass of other nations that is World. Rue is an apprenticed hedgewitch in rural Angle Tar, but she knows she is destined for greater things. After being whisked off to the city by the enigmatic Frith, Rue becomes the student of White, a young Worlder with a Talent that is much in demand: White is no ordinary Dreamer - but then neither is Rue. Both can physically jump to different places when they dream - and both have more power than they know. Rue and White find themselves electrically attracted to each other - but who is the mysterious silver-eyed boy stalking Rue's dreams? And why is he so interested in her relationship with White? Is Rue about to discover just how devastatingly real dreams can be...?
