

The Chiefs Footsteps - A Social and Natural History based on the life and times of Roy Peck of Danford Lake, Quebec

This book recounts the remarkable life of Roy Peck, a quintessential yet extraordinary Canadian. Born into an austere rural situation, he stuck by home and family through tough times and discovered the fun of living and the benefits of choosing well. He received Canadas and Quebecs top honours for his chosen genres in the shooting sports of target archery and rifle. The young athletes of the Northeast Pontiac and Central Gatineau nicknamed him The Chief for his winning ways as their coach and mentor, and they still call him The Chief. And anyone who hired him as their carpenter or builder will testify that all his doors still work very well.
