

## The Guide to Dan Browns The Lost Symbol: Freemasonry, Noetic Science, and the Hidden History of America

Did you know that many of Americas Founding Fathers were not Christians, but were members of a well-known secret society? Or that the two mainstream Presidential candidates in the 2004 election were both initiated into the same exclusive secret organization, which goes under the name of Skull and Bones? And how exactly did the esoteric symbolism on the dollar bill come to be put there? The Guide to Dan Browns The Lost Symbol is the ultimate source for further information on the intriguing topics discussed in the long-awaited sequel to The Da Vinci Code. The Guide will reveal to readers the fascinating truth about the hidden history of America and influence of Freemasonry upon the founding of the nation, the bizarre modern research unveiling the mysteries of the human mind, and the esoteric traditions from the ancient world which continue to influence some of the worlds most powerful individuals.
