

Writing the NIH Grant Proposal: A Step-by-Step Guide

Written by an author with proven success in obtaining NIH grants and in developing grant application workshops for university and convention settings, this book features actual forms from NIH grant applications - including the brand new SF 424 forms - which have been annotated so as to guide readers step-by-step, highlighting unexpected nuances that can make all the difference between winning and losing a grant. This unique book extensively covers SBIR and STTR grants as well.
