

Coming of Age (Dreamscapes Book 1)

Dreams provide us with a glimpse of the subconscious and more commonly than not, they replay daily events or struggles in our lives. But sometimes we wake up and say to ourselves, Wow, what a curve-ball. Dreamscapes are a series of short stories based on real dreams that seem to have come from nowhere. There is no common theme to the stories except that they are all fictional and based on a dream. Come along and dream with me.
