

## Prentice Halls One-Day MBA in Finance & Accounting

Michael Muckian, a writer on business and finance and a veteran manager, demystifies high-level financial subjects and delivers quick how-to answers to tough on-the-job questions about the company's money. Muckian gives managers a variety of sound lessons from creating a savvy business plan to forecasting growth, direction, and long-term profitability, from asset/liability management to understanding growth cycles; and from deferrals and accruals to obtaining financing. Charts, tables, and real-world examples are included as well as an extensive glossary of financial and accounting terms.
