

Murder on the Ridge

All of Grayson knew that Wilfred Black, or Wolfleg to his Blackfoot people, died on Vimy Ridge during the First World War. But now, in 1952, a letter arrives on his widows doorstep. Nearly illegible and stained with the mud of the Western Front, the letter claims he was murdered. Wolflegs widow wants to let the dead sleep in peace, but Will and his best friend, Arthur, want justice. For help they turn to Arthurs grandpa, a traditional Blackfoot with his own ways of seeking the truth. The terrifying reality of war that the boys experience in the sweat lodge nearly spells the end of Will. In *Across the Steel River* and *A Dirty Deed*, Will and Arthur uncovered hypocrisy and attempted murder in Grayson. This time, the violent reckoning they set in motion threatens to tear apart their town -- and their friendship.
