

## Overcome Depression Subliminal CD

\* Note: This is not a replacement for Medical or Psychiatric Treatment and Advice. If you have signs of depression, see your Healthcare Practitioner. This can still be used as an effective adjunctive treatment to medications. Overcome depression simply by listening to this CD. Feel more confident, comfortable with yourself & worthy of being happy! Helps to establish healthy social habits, more positive behavior & healthy boundaries. Also works to control anxiety related behavior. Take the first step to transforming yourself. You deserve to have a full & successful life. This CD will help you to develop a more positive attitude. Play this CD while resting, sleeping, working or playing. Meanwhile, your subconscious mind soaks in the powerful subliminal suggestions that will begin transforming you into a healthier, more optimistic YOU! This Subliminal CD was produced & created using the most sophisticated digital recording & processing available today. The background provides ocean waves & beautiful synthesizer music to enhance your relaxation. You hear no audible words or voices. You can allow this recording to play over & over again while you sleep, relax or prepare for sleep. This subliminal product contains hundreds of positive affirmations recorded onto one relaxing CD. Although the words aren't audible, they are there and they are powerful! The affirmations are masked by beautiful music & soothing ocean waves. Meanwhile, as you focus on something else, or just while relaxing, the subliminal affirmations take hold in your subconscious mind. The affirmations are powerful & designed to bring about safe, healthy & permanent changes in your life. With so many subliminal products on the market, be cautious to purchase only REAL subliminal recordings with NLP (NeuroLinguistic Programming)

affirmations. Proper production, recording, scripting, & duplication are vital in creating such a powerful product. Use only the BEST! Trust Mind Design technology and expertise.
