

Sitting with Koans: Essential Writings on Zen Koan Introspection

The Zen tradition has just two main meditative practices: shikantaza, or just sitting; and introspection guided by the powerful Zen teaching stories called koans. Following in the tradition of *The Art of Just Sitting* (endorsed as a A book we have needed for a long, long time), this new anthology from John Daido Looi illuminates the subtle practice of koan study from many different points of view.
