

The Bicycle Retailers Guide to Getting Rich in the Recession: Companion Manual to Principles of Bicycle Retailing

This timely guide by Randy W. Kirk is a concise, detailed, easy-to-read--and implement--manual on how to survive--and prosper--in an economic downturn...or at any other time. Helpful information for any season or economic environment. Included in the book are pro-active suggestions for increasing sales, profits and wealth with easy to follow traffic building techniques, merchandising tips, promotion plans and improved financial planning. Companion manual to Principles of Bicycle Retailing II and Principles of Bicycle Retailing III.
