

Blue Lavender Girl (Journals)

Dear Diary, Im in despair! My names Tia, Im fourteen and Im in exile! Im stuck here in the remote countryside, left to the mercies of one very unfortunate mutt, a bunch of locals who think that wearing black is a sin, Bob (master of the armpit f*rt!) and Jackson; a guy who believes that just because he dances like a film star hes God! Without Jenny; who is the shiniest, happiest girl in the world; life here would be unbearable. Oh well, between the two of us Im sure well manage to have some fun this summer! Welcome to Tias summer, which ends up being much more exciting than she imagined!
