

Family* (Notes) ... (a Greek Design)

(NOTE: This is an empty notebook for storing text only notes ... It is designed to take almost no space.) The icons in the published document (on the Kindle) are approximately 9/16 inches or 14 mm tall. Samples may or may not reflect this (Computers - ARGH!). This is a parking spot for notes on volunteer activities. The categories are: To Dos (1-3), Kids, Parents, Relatives and Help. The advantage of having a published document where you can park notes is that its easy to find and the information is stored in your {My Clippings} file - a text file which can be backed up regularly (recommended w/ something like MyClippings_date(txt)) on your computer or simply synced with the document if its on your computer. This Greek Design* (asterisk) series has a more robust format for multi-sized e-Readers than the Greek Design series (text is UNDER the icons versus adjacent to them) but if you need lots of parking spaces, its obviously possible to gain value from both.

Beware: When you insert notes, you MUST make sure you save them and they are easy to delete and easy to overwrite (but great to have!). When you enter them, remember that the note number will most often show up AFTER the word (dont add notes at the END of the line). YOU want to put your cursor BEFORE the word/symbol and MAKE SURE that no other note is BEHIND the word/symbol (or highlighted word). Its possible to overwrite a note you dont see on the bottom or side of the screen if you dont pay attention to how they get stored. My thanks and yours should go to a Liam Quin (fromoldbooks(org)) for inspiring the design. Note: This is Edition 2 (Jan 27, 2011). Edition 1 was a fully functional document BUT due to a computer glitch, purchasers only got 29 out of what I designated as 42 parking spots (I dont include icons in the count because I dont think they are the best spots to park notes).

If you purchase/get Edition 2 to replace Edition 1, back up any existing notes for Edition 1 on your computer. I apologize for any inconvenience this could cause.
