

Write Momentum: Go Prolific, create your content FAST (Create harder, richer, faster Book 1)

You ARE a prolific writer and creator of content! Momentum will make you a blistering rush of energy that incinerates procrastination and overwhelm, and is EVERYTHING when you go pro (prolific). Your new default mode will be to CREATE with AGILITY, and SPEED. Strategic sprints will see you creating your content faster than you ever thought possible. (Its NOT the marathon it might seem, it never was). If you want to DO prolific and not just think about it. If you want to experience how AMAZING it FEELS to leverage the power of your imagination to create momentum, non-stop creative execution, and get your awesome content and writing DONE fast. If you want to over commit, over promise, and over deliver. If you want to THRILL your epic community with the rapid release of your content. Then this book is for you!
