

50 Things to Know About Breastfeeding: Quick Tips for New Moms

Are you wondering if breastfeeding is right for you? Are you struggling in your breastfeeding relationship? Are you curious about the benefits of extended breastfeeding? If you answered yes to any of these questions then this book is for you... 50 Things to Know about Breastfeeding by Taylor Ford offers a refreshing approach to obtaining information about breastfeeding your child. Most books on parenting provide you with only limited tips and advice on breastfeeding. Although there's nothing wrong with that, if you want a comprehensive, quick guide to breastfeeding, this is the book for you. Based on knowledge from the world's leading experts such as Dr. Sears, Ina Mays Gaskin, and other professionals, this book will soon be your go-to resource. In these pages you'll discover the many benefits breastfeeding has to offer, for both you and your baby. This book will help you get the most out of your new relationship with your baby. By the time you finish this book, you will know the ins and outs of nursing, as well as how to continue building a lifelong relationship with your child. So grab YOUR copy today. You'll be glad you did. Click Buy now or Give as a Gift in the top right corner to Buy This 50 Things to Know Book.
